

POSEIDON - SOLAS M.E.D.

Poseidon is a SOLAS M.E.D.-certified life jacket that is worn like a vest. *Approved according to Solas '74 (83) (MED) 2014/90/EU in accordance with MSC (81)70 as amended by MSC (200) 80 MED/I.4.*

Ideal for professional use and for crews. Customisable on the back.

- The yellow material, being nylon 210 with polyurethane coating, is ISO 12402-certified;
- The modular collar offers greater head protection;
- The double front safety buckle is quick-release;
- Comes with reflective bands, whistle and a buddy system to hook onto other castaways;
- Has a lifting handle
- It is predisposed for a crotch strap;
- Buoyancy of 150 N.

Sizes: 80×35×12 cm

Adult size (> 43 kg)

The vest can also be made in a version complete with safety harness around the waist with buckle and D-ring in 316 steel, certified ISO 12401 (Article 2010/GI/HX).
