

# NADIR

NADIR is an ISO 12402-4-certified life jacket bearing a black acetal buckle with a 40-mm strap, a whistle secured to the jacket and a retro-reflective band at chest height.

The Child size is additionally equipped with a rescue handle, in addition to all the features previously mentioned for the Adult size. Both versions can then be fitted with an automatic emergency light.

Designed for recreational activities on internal and/or coastal waters, in very favourable weather conditions and with the possibility of awaiting rescue in calm waters. The neck folding system reduces storage space by 25%, resulting in a bulk of just 64x35x8 cm (open) and 45x35x8 cm (closed).

The Child size is likewise 55x27x8 cm (open) and 37x27x8 cm (closed).

Convenient transport and stowage is ensured thanks to two alternative polyester bags, differing in size and colour - a bag for 4 NADIRs with dimensions of 45x35x32 cm or a bag for 6 NADIRs with dimensions of 45x35x48 cm.
