

REEF 50

REEF is a buoyancy aid suitable for canoeing, catamarans, sailing catamarans, rafting and all common sports uses. Certified ISO 12402-5, buoyancy class 50 N.

Adjustment system:

3 straps with adjustable quick-release buckle in black;

Crotch strap included for size S and predisposition for a crotch strap included for sizes M, L and XL.

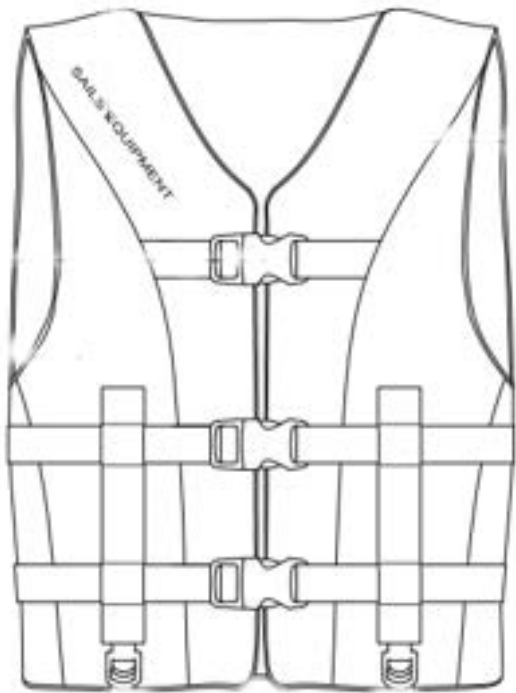

This high-performance product ensures a great degree of movement during sporting activities. It consists of an adjustment system comprised of straps and quick-release buckles. Thanks to the cropped cut, it is easy to wear and adheres well to the body, facilitating movement.
